

IVETA GABALIŅA

Latvian, b. 1979

OPERA: The Spectacle of Society

Iveta Gabaliņa, previously Iveta Vaivode, studied photography at Andrejs Grants' studio, the Bournemouth Arts institute, and Aalto University. In 2012, she went looking at pictures of her grandmother's youth and became inspired. This is why her work focuses on capturing moments in time to be able to look back on.
